SIR,—I have the honour to inform you that His Royal Highness the Governor General will proceed to the Senate Chamber to open the Fourth Session of the Dominion Parliament on Tuesday, the 18th of August, at Three o'clock.

I have the honour to be, Sir,
Your obedient servant,

Who being come, with their Speaker,

His Royal Highness the Governor General was then pleased to open the Session by a Gracious Speech to both Houses:—

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

Very grave events vitally affecting the interests of all His Majesty's Dominions have transpired since prorogation. The unfortunate outbreak of war made it immediately imperative for my Ministers to take extraordinary measures for the defence of Canada and for the maintenance of the honour and integrity of our Empire.

With respect to such of these measures as may require the sanction and approval of Parliament, the necessary legislative proposals will be submitted for your consideration. Other Bills authorizing additional measures which are essential for the public safety will also be presented to you without delay.

Gentlemen of the House of Commons:

Estimates will be laid before you to provide for expenditure which has been or may be caused by the outbreak of hostilities.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

The critical period into which we have just entered has aroused to the full the patriotism and loyalty which have always actuated the Canadian people. From every province and indeed from every community the response to the call of duty

has been all that could be desired. The spirit which thus animates Canada inspires also His Majesty's Dominions throughout the world; and we may be assured that united action to repel the common danger will not fail to strengthen the ties that bind together those vast Dominions in the possession and enjoyment of the blessings of British liberty.

As representatives of His Majesty the King, I must add my expression of thanks and admiration for the splendid spirit of patriotism and generosity that has been displayed throughout the length and breadth of the Dominion.

His Royal Highness the Governor General was pleased to retire, and the House of Commons withdrew.

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

I thank you for the prompt and effective consideration which you have given to measures necessary for assuring the defence of the country, for conserving the interests of our people and for maintaining the integrity of the Empire in the present emergency. It is my fervent hope and my confident anticipation that these measures will prove adequate in every way for the great purposes which they are designed to fulfil.

Gentlemen of the House of Commons:

I thank you in His Majesty's name for the liberal provision which you have made for the needs of the country in the grave conditions which have arisen through the outbreak of war.

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

In relieving you for the time being from the important and responsible duties to which you were summoned so suddenly and unexpectedly, I commend to the Divine protection the people of this Dominion in the firm trust that the future will continually grow brighter and that there will be a favourable and honourable issue from the war in which the Empire is now involved.

The Senate resumed.

THE SPEAKER of the Senate then said:

Honourable Gentlemen of the Senate,

Gentlemen of the House of Commons:

It is HIS ROYAL HIGHNESS THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Thursday, the 1st day of October next, to be here holden, and this Parliament is accordingly prorogued until Thursday, the 1st day of October next.
